

Company Overview

Engility is a pure-play government services provider that delivers highly skilled personnel wherever, whenever they are needed in a cost-efficient manner. The company proudly serves customers that span the federal services market including the U.S. Department of Defense (DoD), the Intelligence community, Space and Federal/Civilian agencies. Headquartered in Chantilly, Virginia, Engility is a leading provider of specialized technical consulting, program and business support services, engineering and technology lifecycle support, information technology modernization and sustainment, supply chain services and logistics management, and training and education for the U.S. Government. To learn more about Engility, please visit www.engilitycorp.com.

Engility, with our affiliates TASC and DRC, has been awarded a prime contract in all of the OASIS unrestricted pools.
