WHO WE ARE & WHAT WE DO

Sumaria Systems, Inc. is a CMMI® Level 3 appraised and ISO 9001:2008 certified information technology, engineering, and professional services company.

Since its inception in 1982, Sumaria has a proven track record of delivering cost-effective services and solutions to the Department of Defense (DoD) and other government agencies on time and within budget.

We provide a full-range of Professional & Technical Services that fulfill the OASIS mission in **Pools 3 & 4 (Small Business) and Pool 6 (Small Business & Large Business)**:

- **Pool 3 (SB)** - \$35.5M Business Size Standard
NAICS: 541330, Exceptions A, B & C
- **Pool 4 (SB)** - 500-Employee Business Size Standard
NAICS: 541711, 541712
- **Pool 6 (SB & LB)** - 1,500-Employee Business Size Standard
NAICS: 541712, Exception A

We staff technology and management professionals and attract the best and brightest personnel to support our clients.

We operate with the highest degree of integrity, objectivity and competency to provide outstanding performance that creates sustained, long-term relationships with our customers.

We have specialized and certified professionals for every need to provide comprehensive services and rapid reaction solutions and support.

Our CONUS-wide operating locations allow us to provide a full range of services and local capabilities to our customers, and to respond rapidly and accurately to meet our clients' surge requirements.
